

The Advisory Board Company

The Advisory Board Company was founded to discover the best ideas in healthcare in order to have the power to transform industries. Their team of experts identify the top challenges that healthcare leaders are facing and provide provocative insights, actionable strategies, and practical tools to support execution.

FIVE REASONS TO JOIN

1. Experts track the most important issues in healthcare by staying on top of the news as well as industry and medical journals.
2. Learn what members are seeing and experiencing on the front lines of healthcare.
3. Researchers ensure that discoveries are relevant, replicable, and ready to be used.
4. Extensive literature reviews and hundreds of firsthand interviews help you develop points of view on where healthcare is headed, distill what matters to you, and determine what you should be doing.
5. Receive the Daily Briefing and register for event webinars.

AREAS OF FOCUS INCLUDE

- Clinical quality
- Technology
- Patient and consumer experience
- Total cost of care
